Number SR01417SE

This certificate, issued to Columbia Helicopters, Inc.
P.O. Box 3500
Portland, OR 97208

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 7 and 10 (KV107-II, IIA) and

Part 7 (107-II) of the Civil Air Regulations.

Original Product—Type Certificate Number: H1PC 1H16
Make: Kawasaki Boeing
Model: KV107-II, IIA Vertol 107-II

Description of the Type Design Change: Installation of improved fire shields per Columbia Helicopters Inc. Master Drawing List 03-RDE-0930, revision B, dated May 19, 2004 or later FAA approved revision. The modification must be maintained in accordance with Columbia Helicopters Document C07-2/71-30-00, Revision 0, dated May 10, 2004, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to aircraft of these models on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft.

This certificate must be maintained as part of the permanent record of the modified helicopter. The Maintenance Manual Supplement must be maintained as part of the helicopter instructions for continued airworthiness. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
